## WE CARE

For everyone in our school community, respecting them as individuals created by God and recognising and celebrating talents and successes. We see caring for others in the world outside of our school as part of our Christian responsibility.

### 1. Aims

Our school aims to meet its obligations under the Public Sector Equality Duty (PSED) by having due regard to the need to:

- Eliminate discrimination and other conduct that is prohibited by the Equality Act 2010
- Advance equality of opportunity between people who share a protected characteristic and people who do not share it
- Foster good relations across all characteristics – between people who share a protected characteristic and people who do not share it

### 2. Legislation and guidance

This document meets the requirements under the following legislation:

- [The Equality Act 2010](#), which introduced the Public Sector Equality Duty and protects people from discrimination
- [The Equality Act 2010 \(Specific Duties\) Regulations 2011](#), which require schools to publish information to demonstrate how they are complying with the Public Sector Equality Duty and to publish equality objectives

This document is also based on Department for Education (DfE) guidance: [The Equality Act 2010 and schools](#).

This document also complies with our funding agreement and articles of association.

### 3. Roles and responsibilities

**The governing board will:**

- Ensure that the equality information and objectives as set out in this statement are published and communicated throughout the school, including to staff, pupils and parents
- Ensure that the published equality information is updated at least every year, and that the objectives are reviewed and updated at least every 4 years
- Delegate responsibility for monitoring the achievement of the objectives on a daily basis to the headteacher

**The equality link governor is [name]. They will:**

- Meet with the designated member of staff for equality every term, and other relevant staff members, to discuss any issues and how these are being addressed
- Ensure they're familiar with all relevant legislation and the contents of this document
- Attend appropriate equality and diversity training
- Report back to the full governing board regarding any issues

**The headteacher will:**

- Promote knowledge and understanding of the equality objectives among staff and pupils
- Monitor success in achieving the objectives and report back to governors

**The designated member of staff for equality will:**

- Support the headteacher in promoting knowledge and understanding of the equality objectives among staff and pupils
- Meet with the equality link governor every term to raise and discuss any issues
- Support the headteacher in identifying any staff training needs, and deliver training as necessary

All school staff are expected to have regard to this document and to work to achieve the objectives as set out in section 8

### 4. Eliminating discrimination

- The school is aware of its obligations under the Equality Act 2010 and complies with non-discrimination provisions.
- Where relevant, our policies include reference to the importance of avoiding discrimination and other prohibited conduct.
- Staff and governors are regularly reminded of their responsibilities under the Equality Act – for example, during meetings. Where this has been discussed during a meeting it is recorded in the meeting minutes.
- New staff receive training on the Equality Act as part of their induction, and all staff receive refresher training every September through an Educare module, "Equality and Diversity". Compulsory from September 2024.
- The school has a designated member of staff for monitoring equality issues, and an equality link governor. They regularly liaise regarding any issues and make senior leaders and governors aware of these as appropriate.

### 5. Advancing equality of opportunity

- As set out in the DfE guidance on the Equality Act, the school aims to advance equality of opportunity by:
- Removing or minimising disadvantages suffered by people that are connected to a particular characteristic they have (e.g. pupils with disabilities, or gay pupils who are being subjected to homophobic bullying)
- Taking steps to meet the particular needs of people who have a particular characteristic (e.g. enabling Muslim pupils to pray at prescribed times where it does not impact on their curriculum entitlement.)
- Encouraging people who have a particular characteristic to participate fully in any activities (e.g. encouraging all pupils to be involved in the full range of school societies)
- In fulfilling this aspect of the duty, the school will:
- Publish attainment data each academic year showing how pupils with different characteristics are performing
- Analyse the data referenced above to determine strengths and areas for improvement, implement actions in response and publish this information
- Make evidence available identifying improvements for specific groups (e.g. declines in incidents of homophobic or transphobic bullying)
- Publish further data about any issues associated with particular protected characteristics, identifying any issues which could affect our own pupils

## 6. Fostering good relations

The school aims to foster good relations between those who share a protected characteristic and those who do not share it by:

- Promoting tolerance, friendship and understanding of a range of religions and cultures through different aspects of our curriculum. This includes teaching in RE and personal, social, health education (PSHE), but also activities in other curriculum areas. For example, as part of teaching and learning in English/reading, pupils will be introduced to literature from a range of cultures
- Holding assemblies dealing with relevant issues. Pupils will be encouraged to take a lead in such assemblies and we will also invite external speakers to contribute
- Working with our local community. This includes inviting leaders of local faith groups to speak at assemblies, and organising school trips and activities based around the local community
- Encouraging and implementing initiatives to deal with tensions between different groups of pupils within the school. For example, our school council has representatives from different year groups and is formed of pupils from a range of backgrounds. All pupils are encouraged to participate in the school's activities, such as sports clubs. We also work with parents to promote knowledge and understanding of different cultures
- We have developed links with people and groups who have specialist knowledge about particular characteristics, which helps inform and develop our approach
- 

## 7. Equality considerations in decision-making

- The school ensures it has due regard to equality considerations whenever significant decisions are made.
- The school always considers the impact of significant decisions on particular groups. For example, when a school trip or activity is being planned, the school considers whether the trip:
  - Cuts across any religious holidays
  - Is accessible to pupils with disabilities
  - Has equivalent facilities for boys and girls
- The school keeps a written record (known as an Equality Impact Assessment) to show we have actively considered our equality duties and asked ourselves relevant questions. This is recorded at the same time as the risk assessment when planning school trips and activities. The record is completed by the member of staff organising the activity and is stored electronically with the completed risk assessment.

## 8. Equality objectives

### Objective 1

- Train all members of staff and governors on equal opportunities and non-discrimination by the beginning of the next academic year. Training evaluation data will show that 100% of those attending have a good understanding of the legal requirements and the relating Educare certificate.
- This objective reflects a gap in our compulsory whole school CPD experience and knowledge and skills development for all staff.
- To achieve this objective we plan to add the "Equality and diversity" Educare module as a start of year compulsory training module for all staff to complete and to pass.
- Progress we are making towards this objective:
  - ✓ All SLT to receive this training and certification by the end of term two in 2023/24
  - ✓ All staff to receive this training and certification in September 2023

### Objective 2

- Have in place a reasonable adjustment agreement for all staff with disabilities by July, to meet their needs better and make sure that any disadvantages they experience are addressed.
- We have chosen this objective to ensure all staff are treated fairly and have the chance to articulate this to stakeholders.
- To achieve this objective we will review and formalize our practice when discussing reasonable adjustment requirements. We will also review our current recruitment practice to ensure this remains fair for all.
- Progress we are making towards this objective:
  - ✓ Mid-year deputy-led review to be scheduled
  - ✓ Refinement and review of recruitment processes scheduled

### Objective 3

- Undertake an analysis of recruitment data and trends in regard to race, gender and disability by July, and report on this to the staffing and pay sub-committee of the governing board.
- We have chosen this objective to ensure equality and diversity remains high profile in terms of our recruitment and retention strategy.
- To achieve this objective we plan to monitor recruitment and retention records and plan this formal feedback in a governors subcommittee meeting at the start of academic year 2024.
- Progress we are making towards this objective:
  - ✓ Mid-year review planned with deputy and headteacher to analyse existing documentation, practice and to set actions for further improvement

#### **9. Monitoring arrangements**

- The Deputy Headteacher will update the equality information we publish every year.
- This document will be reviewed by the Local Governing Board at least every 4 years.
- This document will be approved by the Chair of the Local Governing Body each year.
