Teaching time will remain the same but a new 2-week timetable has been introduced to cut down on movement around the building. This will include double periods for lessons 1 and 3. Desks in all classrooms are forward facing so pupils are side by side. Teaching staff should continue to maintain 2m from other staff and children where possible. Close face to face contact should be avoided at all times. Masks must be worn in the classroom unless medically exempt. Lanyards will be given to medically exempt persons so that they can be clearly identified. There is a station inside each classroom with tissues, sanitiser, hygiene roll, sanitisation spray and a bin.
26	Reduced movement around school- - Timetabling ensures that groups are kept apart and movement around the school is kept to a minimum.
