Manchester SEND Offer Summer 2023

On July 12th, there is a 'Marketplace' workshop, at the St. Thomas Centre. You will be able to speak to local services and support groups that are beneficial to families of neurodivergent children in Manchester. Some of the services you can meet at this event include:

- Manchester Parent Champions
- SENDIASS (advice and support service)
- SEND Local Offer Team
- SPACE group

There will also be the chance to learn more about what we are doing in school to support your children.

If your child is awaiting assessment for Autism, there is an opportunity to be involved in an online workshop with the MPCF. The aim is to provide support for families with better access to signposting; a plan as to how reasonable adjustments can be made; a chance to prioritise what would make the biggest difference in terms of quality of life; and a structure for thinking about difference and neurodivergence and what it means. The link to book a place on this workshop is below.
