

# Moving On Report - St Matthew's RC High School

Description: This report provides a breakdown of your leavers for the Activity Survey. This looks at what activities your young people were counted in as a snapshot of the 1st November.

The activities have been broken down into the main categories and your RPA (Raising The Participation Age) percentage has been displayed. This is used by the DfE to monitor how many young people are going into education and training.

This report aims to replicate the data that is submitted to the DfE and figures should be used indicatively. Please note that these figures will not match the Destination Measures that are produced by the DfE.
